

## Junkyard Birthday Parties: Everything You Need to Know

Planning your child's birthday party at Junkyard? 🎂 We've got answers to the most common questions below. If you still have questions, feel free to reach out—we're happy to help you plan a celebration as unique as your kid!

### **Booking Your Party**

#### **How do I book a party?**

Booking is easy! Just choose your preferred date and time on [Calendly](#).

*Note: If your desired date and time is not available on Calendly, that means it's already booked.*

#### **How far in advance should I book?**

We recommend booking 4 weeks in advance, especially for weekends and peak season.

#### **What times are available?**

Weekend time slots on Saturdays and Sundays are 10:30 am–12:30 pm, 1–3 pm, and 3:30–5:30 pm. Friday parties are available from 4–6. Additional weekday parties are available upon request. Email [hellojunkyard@gmail.com](mailto:hellojunkyard@gmail.com).

---

## **What's Included in the Package**

**Our standard party package includes everything you need for a fun and stress-free celebration:**

- Admission to Junkyard Social Club for 20 kids and their grown-ups
  - 2 hours in the upstairs “Party Room” with seating for 20 kids and additional standing room
  - 2 hours of free-play on the Adventure Playground
  - Tables and chairs
  - Cleaning supplies and trash bags for easy cleanup
  - Free admission to the playground for 2 hours — for both kids and grownups
  - Up to 20 free-return visit vouchers (great as party favors!)
- 

## **Guest Count & Room Capacity**

**How many guests are included in the package?**

Our package includes up to 20 children and their caretakers. This is based on the comfortable capacity of the “party room.”

**What if the number of kids goes over 20?**

If your party exceeds 20 children, there will be an additional admission fee for each child. It is up to the party host to decide whether:

- They will cover the cost of the extra children, or
  - Ask the attending parents to pay the fee for their child
  - If you anticipate closer to 30 kids, we recommend renting our downstairs event room (Community Hall). That room rents for \$200/hour and fits up to 60 bodies.
- 

## **What to Do Before the Party**

**Can I come early to set up?**

You can arrive 20 minutes prior to the start time of your event to set up. 10:30 parties may begin set up at 10:10 and must completely vacate the room by 12:10 at the latest.

### **Do guests need to sign a waiver?**

Yes, we encourage everyone to play (even adults). Our insurance also requires that everyone over 18 must sign a waiver. For first-time visitors, we strongly encourage parents to complete the waiver before the party to save time at check-in. If you've been here before, no need to sign again — your waiver is already on file! The [waiver link](#) can be shared in advance.

### **Can we bring decorations?**

Our space is colorful and fun, but you may bring your own reusable decorations if you wish. Please choose decorations that can be reasonably put up and taken down in your 20 minutes of set up and 10 minutes of tear-down time and cannot be left in the space. We discourage mylar balloons.

### **Can we set up a pinata?**

We can not allow pinatas due to the chaotic nature of the space and the number of kids that could be running around while a pinata's bat is swinging.

---

## **Food, Drinks & Party Supplies**

### **Can we bring our own food or cake?**

Absolutely! Feel free to bring your own cake and party treats to make the celebration even sweeter. If you have any special requests or questions about food, just let us know – we're here to help!

### **Do you offer fridge space or storage for food and drinks?**

We are limited in storage space, so we cannot provide fridge or freezer space for cakes, drinks, or other food items.

If you need to keep items cool, we recommend bringing your own cooler with ice packs.

### **Can we bring alcohol?**

No outside alcohol is allowed on the premises.

However, we do have a bar on-site, and guests are welcome to purchase drinks during the party.

### **Can we open a tab at the bar?**

Yes! Hosts are welcome to open a tab for their guests during the duration of the party. Let your bartender know at the beginning of your event, and we'll take care of the rest.

### **Can we bring our own cups, plates, or tableware?**

Yes! You're more than welcome to bring your own cups, plates, utensils, or themed tableware to personalize your party setup.

*Please note: we do not provide any cups, plates, or utensils – so be sure to bring everything you'll need to serve your delicious treats and cake!*

### **Do you provide candles or lighters for cake?**

We do not provide candles or lighters, so please make sure to bring your own if you're planning to bring cake.

---

## **During the Party**

### **Will there be activities?**

Our space is designed for child-led, open-play. We provoke playful moments and support the kids as they come up with their own ideas. Spontaneous ground is lava, and DIY water and sand foundations happen on the regular.

### **What do we do if the weather is bad?**

There is no bad weather, only poor clothing choices. Come prepared for the elements. Instead of sand castles, it might be snow castles. We will also have back-up projects and activities ready if we need to move inside. Our warehouse has 2 large garage doors that open to the playground, with 2600 indoor square feet to spread out. Art supplies and building toys are available at all times. In the event that Boulder City Offices are closed due to an extreme weather event we will happily reschedule your event.

---

## **Wrapping Up the Party**

### **When do we have to be out?**

The space rental ends at the end of your allotted time. Our next party comes in right after! Please make sure guests pick up their kids promptly. We have a 10-minute courtesy period. If cleaning and loading takes longer than those 10 minutes there is a \$75 fee.

### **Who takes care of trash?**

We will provide you with a trash bag to clean up after your party. Recycling is also available. Please note, plastic catering trays and pizza boxes are not recyclable. If there is an excessive amount of trash at the end of your party we may ask you to take what does not fit in the trash bag home with you for disposal.

### **Can we stay and play after the party?**

Yes! After your party ends, families are welcome to stay and enjoy the playground as long as it is during normal business hours.

*Please note: the party room will need to be cleared for the next reservation.*

---

## **Party Favors & Extras**

### **What about party favors and goody bags?**

We encourage you to choose party favors that are fun and useful long after your party ends such as seed planting kits, books, etc. Please distribute goody bags to your guests as they leave the building in order to keep our space tidy.

---

## Rescheduling & Cancellations

### What is the cancellation policy?

To book a date, you will need to pay in full. You can change the date up to three weeks before your event. If you cancel within three weeks, you will only be refunded \$100.
